This Report Provides the following information - Vision and Functions of IQAC and All the website links of IQAC

The Internal Quality Assurance Cell of the College is committed to its role in improving and assuring quality in all academic and related activities of the College. In this context, the IQAC maintains an action plan for academic performance and evaluation system, motivates adoption of quality enhancement measures in the teaching-learning process, monitors the feedback process, maintains academic coordination, promotes research among teachers and students and coordinates the working of the committees and cells in the college which are responsible for organizing various cocurricular and extension activities through out the academic session.

VISION

To make quality the defining element of the teaching-learning, research and evaluation via a combination of self and external quality evaluation, promotion and sustenance initiatives.

1. Redefining the Quality of Education.
2. Revisiting the goals of education with the objective of fostering competencies among students.
3. Promoting the use of ICT in both teaching and administrative processes.
4. Adopting pedagogical methodologies to develop scientific and research temperament.
5. Introducing new add-on courses keeping in sync with the latest trends.
6. Encouraging self-evaluation, assessment and accountability in all stakeholders through a feedback system.
7. Organizing professional and skill-based seminars/workshops/guest lectures of interdisciplinary nature.
8. Establishing inter and intra institutional collaborations for academic advancement.
9. Inculcating consciousness in all stakeholders towards eco-friendly practices.
10. Ensuring enhancement and integration among the various academic, extracurricular and extension activities of the college and institutionalize good practices.
11. Build an organized methodology of documentation and internal communication.

FUNCTIONS

- IQAC was set up in the college in 2008. The function of the IQAC is to redefine the teaching -learning -evaluation methods adopted in imparting education in the light of changing trends for continuous quality enhancement.
- It is constituted for planning, implementation, monitoring and evaluation on the basis of the seven criteria of accreditation laid down by NAAC.
- It constitutes committees for smooth functioning of academic and administrative activities.
- It coordinates with all stakeholders at various levels through informal interaction, official meetings, feedback system, etc.
- Its main objective is to plan and implement quality initiatives. It follows its calendar for meetings, quality agenda and maintains minutes of its proceedings.
- It encourages conduct of workshops, awareness programmes, special lectures on quality innovations, curriculum enrichment, research-oriented seminars, and workshops in all criteria of NAAC.
- It also plans and encourages advanced learning resources, ICT management and gives suggestions for empowerment of staff, leadership, governing pattern and strategic perspective planning.
- It plans and supports effective implementation for collaboration and extension activities for all stakeholders.
- It analyzes the feedback received from all stakeholders and informs the concerned person about its outcome for improvement.
- It also appreciates, encourages and provides support required by all staff for their quality sustenance and improvement in teaching, research and administration.
