BEST PRACTICES 2022-23

I TITLE: WOMEN EMPOWERMENT THROUGH A HOLISTIC EDUCATION MODEL

OBJECTIVE:

1. Since a college is a microcosm of the world outside, we ensure to create a harmonious mix of academic and co-curricular activities so that they may enhance the skills required to navigate the world.
2. To nurture students and help them optimise their capabilities
3. To impart new-age skills DIGITAL SKILLS through PPT presentations, use of ICT in learning

CONTEXT:

Majority enrolment in the college is from socially and economically marginalised sections of the society. In such a scenario it is imperative to instrumentalise their lives with the power of education so that they may rise above their situation in life.

PRACTICE:

PROBLEMS ENCOUNTERED:

1. Given the socio-economic background of most of the students, they encounter numerous grassroots problems like mindset and some generic pressures from the social system at large. However, they are willing to break it , one step at a time. The progress may be slow but is steady.
2. More focus is needed on digital literacy, like equipping them with computer skills.

II TITLE: GREEN CAMPUS ACTIVITIES

OBJECTIVE:

To encourage an eco-friendly campus and reduce use of plastic

CONTEXT:

The College aims to maintain a Green campus by planting more trees, participating in tree plantation drives, maintaining cleanliness and reducing use of plastic

PRACTICE:

PLANTATION DRIVE ON WORLD ENVIRONMENT DAY

Activity- Plantation of trees	
Date	05-06-2022
Activity Details	College Ranger leader Dr. Reena Tandon instructed to the ranger students to plant trees for healthy environment. She discussed about the harmful effects of plastic bags and suggested to use cloth bags or jute bags.

EVIDENCE OF SUCCESS:

Students participated enthusiastically and showed willingness to adopt eco-friendly practices, like using cloth bags in their lives .

PROBLEMS ENCOUNTERED:

- 1.The main problem encountered in the Green Campus initiative is the development and maintenance of proper infrastructure for green practices.
2. Lack of cost-efficient alternatives to plastic makes them less popular in College.
